2405 Wrights Way, Pittsburgh, Pennsylvania 15203 • 412-522-3008

delilahshollander@gmail.com • <https://dhollander24.github.io/resume.information/>

Pittsburgh CAPA 6-12 2016-2020 // **Chatham University** 2021-Present

Candidate for a Bachelors of Criminology. Minors in Applied Data Analytics and Business. Certificate in Forensic Social Work

EXPERIENCE

External Affairs Intern, **Secure Community Network**

October 2025 – Present

- Support SCN in managing the organization's relationships and communications with external stakeholders, including the media, government, community, and industry partners.
- Assist in shaping public policy, building partnerships, and ensuring a positive public image for the company.

Security Intern, **Jewish Federation of Greater Pittsburgh**

May 2025 – August 2025

- Support the Federation's Director of Community Security in planning and executing security protocols for one of the largest Jewish sporting events in the world, the JCC Maccabi Games.
- Assist in security briefings, coordination with local law enforcement and FBI offices, and logistical planning for over 2,300 athletes and volunteers.
- Conduct research and help prepare intelligence briefings regarding regional and national threat landscapes.
- Participate in community security initiatives focused on safety awareness, emergency preparedness, and information sharing across Jewish institutions.

Data Specialist, **Race To The Case**

November 2024

- Served as the Team Data Specialist in the University of Pittsburgh's Race to the Case Supply Chain Management competition, playing a crucial role in analyzing complex data to drive strategic decision-making.
- Worked with my team to tackle real-world supply chain challenges, leveraging data analytics, engineering, and business principles to solve problems under high-pressure conditions.

Intern, **YWCA Greater Pittsburgh**

November 2023 – June 2024

- Developed a comprehensive map from raw data, illustrating demographic populations served by organizations, sorted by zip code and county.
- Analyzed raw data from multiple sources to create detailed demographic profiles and designed informative flyers for board reports and presentations on the Mission In Action project funded by a Mackenzie Scott Grant.

Teacher, **Dor Hadash Religious School, Rodef Shalom**

September 2022 - Present

- Designed and implemented community activities to promote self-driven exploration of Judaism, including instructing the Hebrew language and facilitating the learning of prayers required for Bat/Bar Mitzvahs or services.
- Orchestrated and executed initiatives aimed at fostering a self-driven environment for community members to explore Judaism while providing comprehensive instruction in Hebrew and guiding children in mastering the prayers necessary for their services.
